Naked and lifeless, our King on a tree  
 Sinners and scoffers were gathered to see  
 The gruesome, the ugly, the weight of the fall  
 Poured out on Jesus, the Savior of all

### Verse 3:

Darkness descended to cover the land  
 Silenced and stilled in the tomb was the Lamb  
 Death for a moment held hope in the grave  
 But Christ my Redeemer could not be contained

### Chorus:

C  
 There is no Love like this  
 Em  
 Ransomed from death and sin  
 C G  
 Christ my redeemer Lord of all

 You are my great reward  
 Em  
 Freedom forevermore  
 C G  
 Christ my redeemer Lord of all

### Verse 4:

Death where's your victory death where's your sting  
 The grave that is empty shouts there is a King  
 A king who is risen a King who will reign  
 A king who has come and is coming again
