

November 2, 2014

Dear Friends,

Thank you for attending One Harbor Church and I hope you're as excited about the future and vision of One Harbor as my wife Anne and I are. We all are blessed to live and work in such a beautiful area and the staff at One Harbor has done an amazing job in the community and growing the church. We support the purchase of the land and remodeling the building 100% as we grow and help people in our community.

As the General Manager, PGA Professional and Director of Golf at The Country Club of the Crystal Coast located in Pine Knoll Shores, on the Island of Bogue Banks, I was asking the Lord for inspiration in coming up with a plan that would raise funds to support the building project and benefit people in the community. Almost everyone either plays golf or knows someone who plays, or perhaps has a desire to learn to play I would like to offer private golf lessons with **100% of the income donated to the One Harbor Church Building Fund.** This program will continue for up to 3 years as long as I remain in Carteret County and am employed at The Country Club of the Crystal Coast.

Here is how the fund raising program works:

- Make an appointment for private golf lesson, 252.726.1034 (ext. 12)
- Lessons are normally 30 to 45 minutes.
- The cost for the lesson is \$60.00 and children 18 and under are \$30.00.
- **Make check payable to: Chip Chamberlin**
- On a weekly basis we will donate the money to the Church.

I hope you will consider taking a lesson to improve your game or give a lesson as a gift to someone you know that is a golfer. Everyone who participates will be contributing to the new campus of One Harbor Church while improving their golf game! It is a win-win for everyone.

May God bless you and thank you for your consideration in participating in this fund raising effort.

Sincerely,

Chip Chamberlin

Chip Chamberlin, PGA
General Manager
PGA Director of Golf
